

The Berkshire Shadows Club

Next Club Meeting on Tuesday 26th April

We're having a fabulous Summer in the middle of April, as I write this long overdue newsletter to you. The last club meeting took place on the 22nd March. A few of you missed the date. Consequently, and aided by the fact that I completely forgot to post out a newsletter or reminder, we only had 13 players. Bad Boy! The sound and quality of play last meeting was super and I had a number of people come up

to me to tell me how much they had enjoyed the evening. Long may it last.

Backing Tracks vs Band Play

Don't forget to email me at apache@berks-sc.org if there is something you'd like to play and you're not sure whether the band knows it. We like to try and cater for as many live plays as we can so, unless it's something too difficult or time consuming for us to learn for you, we'll usually have a good crack at it for you. It's always more fun to play with a live band and, should you not be quite on time when you're playing, the band will always 'slip' the time for you so it stays 'on track'.

Leaving early - our request last month

Thanks so much to all who stayed on last meeting to the end. You have the appreciation of those people who were at the bottom of the playlist! It really does make a difference, so please let's keep this going.

Upcoming meetings

Dates of upcoming meetings this year are:

26th April 2011

24th May 2011

Our normal start time is 19:30 but we're normally ready from 19:00, so if you can get there early, let's do it!
