PLENTY OF TALENT HERE!

Hello and welcome everyone. We had another very good meeting last month with plenty of players coming to entertain us with their selection of Shadows tunes and a few Cliff songs thrown in as well. It was nice to welcome some of the members from the **Sussex Shadows Club** to our club and they performed very well indeed giving us a selection of Cliff songs from their singer Don, ably supported by Terry and Ray on guitars.

For those interested in visiting the Sussex club in Seaford their next meeting is this Sunday and is held in the Constitutional Club in Seaford town. If you wish you can book a table in the club and have a dinner there as well and watch the players perform. The music starts at 1pm and runs through to approximately 6 pm. You will also meet a few of the players from this club who regularly visit. Also, on Tuesday 26th the **Berkshire Shadows Club** meets in Langley and you are also very welcome there. Back to our last meeting and, as usual, The Silver Shadows kept standards at a very high level by supporting the players and then doing a set of their own to commemorate the passing of Jet Harris who sadly died that morning. Later in the evening our good friend Derek Misselbrook gave a short talk about Jet as he knew him very well indeed. It is a sad loss as we had hoped to get Jet here on a visit. He had agreed to come but that was just before he had to go into hospital again for more treatment. We have done a tribute page for Jet which gives a brief outline of his life from when he left school. We could have written many pages on him as he had had a very varied and colourful past but we kept it reasonably short. So enjoy yourselves tonight with the great music of The Shadows and show plenty of support for the players!

THE NEW CLUB JACKETS & SHIRTS

For those who would like one of the new club jackets they are here for you tonight, so go and see Charlotte Withrington at her table and you can order one. And those who would like one of the new long-sleeved club shirts can do the same. We also now have baseball caps available, so go and see Charlotte if you would like one of those as well.
