**LAST MONTHS MEETING**

For those who were at the last meeting the star in my opinion was 14 year old Peter Ravenhill who played guitar like a true professional, he gave us Shadoogie followed by Man of Mystery and later on had a turn playing the drums.

John Paton sang Don't talk to Him & Fall in love with You, he also helped us with the loan of his PA system for the night, so a big thank you from us all.

John Cade played Ghost Riders and Going Home, The theme from the film Local Hero originally composed & played by Mark Knopfler (One that I someday hope to play and am still learning the introduction of).

Bob Dore gave the keyboard a rest and played Sitting Bull & Sacha on Guitar.

Terry Bryant with Les Girls & For a Brother (both new ones to me making a nice change)

Nick McNulty & friends were as energetic as ever filling up our dance floor.

Eugene & Chris paying Shindig, Theme for Young Lovers, Albatross and Flingie Bunt.

Colin Howell quickened up the pace with the Venture's version of Walk Don't Run.

The Ade Trio gave us Shadoogie & Cliff's It'll be Me.

Mike Norris is back on vocal form with Please Don't Tease and A Girl Like You.

Our very own Bob Withrington did Cat n' Mouse and Farewell my Lovely

## The Shadowers – with Phil Kelly

A full list of the tunes played has been compiled by Rob Bradford and posted on the Shadowmusic web site

The venue was also packed for the Friday Night **Shadowsfix Shindig** where many individual players had the opportunity of performing in a professional setting. Myself and Colin Howell really enjoyed the experience. Towards the end of the Shindig we were all treated to an excellent set from Phil & James Kelly. Fantastic!

**SPECIAL BURNS GUITAR NIGHT**

As we announced earlier this year tonight's (20<sup>th</sup> September) meeting is a Burns Guitar Night, we hope to have as many players as possible playing Burns Guitars.

Our star guest for the evening is **Barry Gibson** (photo on right) who will have a great collection of Burns Guitars and accessories on display and for sale.

The highlight of this evening will be our annual Guitar Raffle for a really special **Burns Barracuda "Jet Harris" Six String Baritone Guitar**.

The Barracuda has a 30" scale and can be played either as a short scale bass or an effective lead and rhythm guitar. Tuning is the same as a standard six string guitar but one octave below. As used by the great man himself.

*From the proceeds of this raffle a donation will be made to The Jet Harris Memorial Fund*

**THE SILVER SHADOWS**

Our good friends **The Silver Shadows** will be standing in as our backing band for our next meeting on Friday 18<sup>th</sup> October 2013.

They offered to step in for **Breakthru'**, who will be at the **Ch'tishads 2013** event in France that weekend.

We are looking forward to a superb evening at the Club in October.
