

BREAKTHRU' HEADLINE AT CH'TISHADS 2013

Our own backing band **Breakthru'** played two great sets at the Ch'tishads 2013 Shadows Music event held on the 19th October in Fleurbaix, France. This annual event organised by Shadowmaniacs France featured no less than TEN French Shadows Tribute bands with over 12 hours of music performed over the day.

As always our French friends Michel Henaux, Marcel Dumont and all their club members made us and our wives most welcome. Very special thanks must go to Nobby Glover who stepped in to handle the drumming duties for the weekend. Great stuff Nobby!

Paul wins the Star Prize!

Lucky Paul Larkin won the star prize of a Fender Jazzmaster Guitar in the raffle held at the Ch'tishads 2013 Shadows Music event held in Fleurbaix, France.

Our October meeting with The Silver Shadows

On behalf of everyone at The Surrey Shadows we would like to give a big thank you to our friends, **The Silver Shadows** (Chris, Brian, Eric, Graham) who stood in on the night while 'Breakthru' were in France with our Bob visiting our French twinned club at Ch'tishads.

SOME OF OUR PLAYERS FOR THE EVENING

As always we started off with the house band playing a few numbers to get everyone in the mood before the players came on.

Ken – Thing-me-jig, Jessica (Top Gear)

Mike - A Girl like you, We say yeah

Paul - Flingie Bunt

John B - Man of Mystery, Sleepwalk

John C - Why must I be a teenager in love, Santa Ana

(always good tunes from John, and always well received as he brings his followers with him to cheer him on)

Impromptu group of Terry (lead), Don (vocals), John C (rhythm)

- Please don't Tease, Baby she's gone

Don (vocals) , Mark (drums) - FBI , Man of Mystery

Brian (bass), Mike (vocals) - Move it

"Dancin" Nick with Gary, - Dance On, Apache

Chris Lee – True love ways, Always on my mind

Tony Knight (now wearing a club hat and shirt) – Foot Tapper, Cavatina

Impromptu group of Ade & co

- Gee Wiz its You and Viking (their own composition)

David – Ghost Riders, The Stranger

Paul- South of the Border, Chattanooga Choo Choo

Gareth - Guitar Boogie

This is just a sample of the range and variety of tunes played on the night

It was a very full house considering that some of our group were away and it shows what a good following The Silver Shadows have, our venue was so packed some latecomers had to stand as all the seats were full.

Someone said the large crowd were here to just hear my *Theme for Young Lovers*. Something about a wager on the number of mistakes that I made during my turn

(This time it was won by my Jeanie – insider trading maybe?).
