FOR SALE

A rare opportunity to own an exceptionally great guitar A 2006 Limited Edition Burns Fiesta Red Shadows Guitar (Serial Number 98/500).

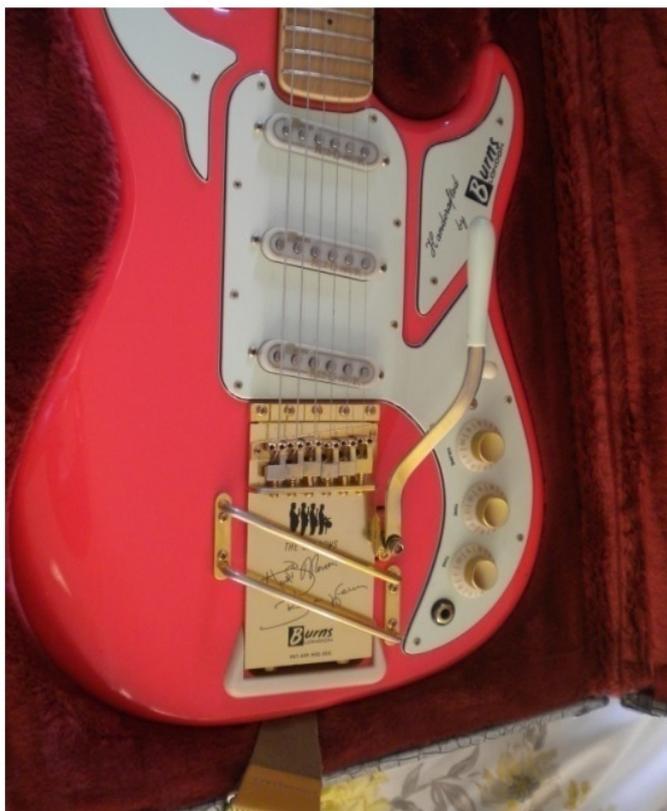

It comes with all of its original documents, strap and a hard case. There were only 500 of these made and they are not making them anymore. This guitar used to belong to Philip Scott one of "The Shadows" greatest fans. I thought I ought to offer it to Shadows fans first, however it will be advertised elsewhere if no one in the Shadows Club is interested in it. It has been valued at Andertons to be worth between £1,300 and £1,500. If anyone is wants to know more about it and would like to see or play it then

please contact Susan Bayley
Tel. 07929 882920
or email at

susan.bayley@gmail.com

I can bring it to

The Surrey Shadows Club
if anyone would like to view it.

MANY CONGRATULATIONS TO THE SHADES

Many congratulations to THE SHADES for being selected to perform at this years "A Celebration of Shadows Music" at Lakeside on 26th September 2015. I understand that they used the excellent video produced by Didier Parrot of them playing at last year's Ch'tishad event in France, where they represented The Surrey Shadows Club, to convince the management team at Lakeside.

Well done to THE SHADES and we all look forward to seeing them at Lakeside, where tickets are available on line at www.lakesidesurrey.co.uk
