## **OUR JANUARY CLUB MEETING**

Last month we saw the return of "THE SILVER SHADOWS" who will be alternating as our house band with Breakthru'. This we hope will give club members some variety and also give both bands time to rehearse new numbers. The Silver Shadows are good friends of ours and consist of Brian Haycock on Lead guitar (John Cade did a splendid job of standing in for Brian for the night), Graham Hyde on Rhythm, Eric Pole on Bass, Chris Kenward on Drums and finally Bob Dore on Keyboards.

As usual the band warmed up and opened the evening with a few numbers before the club members took their turns of playing their choice of two numbers.

### **THE CLUB PLAYERS**

### **BARRY'S ROCK ISLAND LINE**

The Rock and Roll section had Keith West on vocals, Barry Gibson on Lead guitar, Cliff Hall on Keyboards, Mark Winter on Drums, Dave Hamilton on Rhythm and Martin Woollorton on Bass

The tunes included - Twenty Flight Rock, Little Sister, A Mess of Blues, That'll be the Day, Laudy Miss Clawdy, Folsom Prison Blues and It'll be Me.

### **..AND FINALLY**

Although a problem with the mixing desk and the backing track CD player caused a slow start to the evening. The fault was traced to a dodgy lead and a replacement was loaned for the night by Mark Winter saving the day, although the vocals through the PA was "interesting". Despite this the show went on well allowing everyone a chance to play music with a band backing them.

### **NORTH WILTSHIRE SHADOWS CLUB**

I paid a visit to the North Wiltshire Shadows Club at their last meeting and was made to feel very welcome by the team that organise it. I was welcomed by Peter Gillies at the door and then introduced to Chris Wilson who is the other organiser of their club. Other members came up and introduced themselves. It is only a small club and it has a very nice friendly atmosphere.....just like our club! You will be made very welcome if you wish to visit them. I played a few numbers and had a very enjoyable evening.
