Spit & Sawdust
I live in the Morden area and was asked out for a drink by a friend, who wanted to go to a local pub.
It looked like a Greek Tavern from the outside, but as we got nearer I could hear a band playing some good "tight sounding" Rock 'n Roll.
As I entered the pub and walked up to the bar, I was suddenly aware of the feeling that the spit & sawdust décor was still alive and strong in that part of the world.
The landlord obviously didn't know me and told me that the pub was one of the top five R&R venues in the London area and that on most nights they have a live band with an Open Mic Nights every week.

Details of the pub are:
The Cavern, 100 - 102 Coombe Lane, Raynes Park, SW20 0AY
Their email address is www.thecavernfreehouse.co.uk
Give it a try if you would like to go somewhere different one evening but check their website beforehand.
Hope you find this of interest.
