R.I.P. Nobby

It is with great sadness we have to let you all know that on Monday 05th February, Nobby passed away unexpectedly at home. We lost one of our most respected and long time friends, as well as a 1st class drummer.

He was one of the most talented drummers in this area and was held in high esteem by many, and all who played with him at our club. The South Coast Club members will miss him greatly, having such a talented and terrific drummer for their meetings.

He was a lovely man, always had a twinkle in his eye, a broad grin and a great sense of humour that all of us will always remember.

Nobby will be greatly missed by us, but let's all take a minute and think of what his family are going through at this sad time and send them our love.

Our January Club Meeting

This month saw the welcome return of **BreakThru'** who opened up the evening. They gave us a good selection of Shadows tunes and Cliff songs. It was really good to see some new faces at the club, hopefully we can build up the numbers again.
