## **Ch'tishad**

I have recently been informed that due to prior commitments and Marcel not being too well, this year's Ch'tishad will be cancelled. Michel does hope to hold the event again next year. Shotgun Ltd who are celebrating their 20 years of playing together are appearing at Lakeside in September.

## **Lakeside 2018 International Celebration of Shadows Music**

Lakeside this year will be held on Saturday 22<sup>nd</sup> September, please see details below. It is great to see The Bootleg Shadows and Shotgun Ltd performing at this year's event.

## **ABOUT THE SHOW**

Once again Lakeside celebrates the music of the world famous band the Shadows.

In what some people are calling the 60th Anniversary we hope to make this a bumper year with as many fans attending as possible.

To help us celebrate, we are pleased to announce that we have already booked the wonderful Bootleg Shadows, Guitar 60 from Sweden and Shotgun Ltd. from France plus local band the Evening Shadows featuring Gerry Richards as "Cliff".

As well as this, we hope that Shadows tribute bands will join us in the audience. If you are a member of one of these bands then please give our box office a call on 01252 836464 for our special offer. We will, of course need to know the name of the band and some form of proof of identity.

With a brilliant line-up, fantastic Shadows music and trade stands, this should be a great day. Come and help us make this a special International Celebration of this wonderful band.
