Club News

Chris Blore our friend and fellow musician

Chris's family would like to thank you all for the messages of condolence received during such a difficult time. During the latter months of his life he was not always well enough to have visitors but please believe me, every one of your messages was passed on to Chris which helped him through his remaining days.

Thank you to all his friends at the Surrey, Eastbourne and Waterlooville Shadows Clubs for their kindness and being such an important part of Chris's life.

At the memorial night at Molesey it was a true reflexion of just how respected he was, and the family would like to give those musicians who played and came along a special thank you.

Chris's last few days were at St.Raphael's Hospice in Cheam and it was nominated by the family in his honour.

We are pleased to say that through your kind donations, £1,092 was passed to the hospice in his name.

Thank you once again from Margaret and family.

November Club Meeting

We are delighted to have Shotgun Ltd coming over to play at the club again in November. This is going to be a special night, as Rhythm & Greens featuring the legendary Cliff Hall will also be playing. Players will still be able to get the chance to play to backing tracks or/and the house band, though this may be limited to 2 songs each. More information to follow in next month's newsletter.
