## Club Reopening

Over the past week we have been in contact with the Hersham Sports & Social Club chairman as to when the club will reopen for music evenings. The biggest hurdle at the moment is the two metre distancing. Once this is reduced to one metre, hopefully the beginning of next month, we can then look at rearranging the seating in the hall, see picture below. There will need to be a one way system put in place, this being, entry through doors nearest stage and exit through doors near bar. The number of people allowed in the club would also need to be limited to between 70 - 75. If given the go-ahead, the first music night will be **Hersham Live Music Club** on Tuesday 07<sup>th</sup> July. Ideally we would like to restart the Shadows evenings again as soon as possible, whether this will be in July it is too early to say. We will keep you updated with the latest developments and hopefully it will not be too long now before we are able to enjoy live music at the club again.

### VOX AC 50

I am selling my original VOX AC 50 dated 1965 as it is too heavy for me now. This is a very rare amp now which is still in really good condition. It was totally refurbished 10 years ago and is fitted with a Goodman's Audiom 60 speaker. Fabric is new and really clean. I was given a quote of \$4500 but we can talk about this. As I live in France, I could bring it over when I am next in the UK as shipping could be expensive. I could also deliver in Paris area and possibly northern France. Please see pictures below, more available on request. For more details please e-mail me at [shadowmaniacs@free.fr](mailto:shadowmaniacs@free.fr)

Kind regards Michel

If anyone has something to sell, I will be more than happy to send an e-mail out to everyone on the mailing list. Please e-mail me a picture and description at [mtw3005@hotmail.com](mailto:mtw3005@hotmail.com)
